

UNCOMPROMISED EXCELLENCE

Research shows that companies with female top executives perform better. Yet, women face a variety of unique challenges that require practical strategies and a network of other professional women to navigate in today's business world.

The Corporate Refinery helps global and mid-sized organizations shift how they develop high-performing women and leaders through modern methods that drive performance and sustain excellence across the organization. The 5-Star Society is an invitation-only program focused on connecting and building a community of executive women who are committed to both their professional and personal performance and success.

THIS PROGRAM IS FOR WOMEN AND ORGANIZATIONS WHO:

Want to achieve professional success while supporting wellbeing inside and outside the workplace.

Experience elite performance but want to prepare for the challenges of tomorrow.

Elevate and celebrate like-minded executives to accelerate women in leadership.

The benefits of the 5-Star Society:

- ✓ Elevate professional expertise and leadership skills
- ✓ Strengthen the organization's leadership pipeline and DE&I
- ✓ Access creative ideas and forward-thinking solutions
- ✓ Accelerate results for the organization and trajectory for yourself
- ✓ Become an elite performer inside and outside the office
- ✓ Expand your network for different perspectives and unbiased feedback
